

About Us

Stand Up! Community is provided by Odyssey Youth Services, and is a part of Waypoint. We are a lively and diverse team of trained AOD (alcohol and other drug) practitioners. We work closely with the Stand Up! team in schools to support you on your next journey.

It's not just who you are now. It's about who you want to be.

Stand Up!

Community

Kia ora,

Thanks for thinking about getting in touch with us.

Talking to someone about drugs or alcohol is a big step. There might be all sorts of things going on for your right now. You might be unsure about what to do next.

That's ok.

Stand Up!

Community

Stand Up! Community is an early intervention, harm reduction service for youth and young adults whose lives are impacted by alcohol or other drugs.

We're here to support you through the tough stuff. Together, we will explore:

- The impact of alcohol and drugs
- How to reduce harms
- Your hopes for the future

How does it work?

We work with you to explore what matters and what might be getting in the way.

We can travel and meet you at school or at a community space.

Who can we support?

We support any youth or young adult between the ages of 12-24 that live in East and South Auckland, and who are impacted by alcohol and/or drugs.

Anyone can refer a youth or young adult. You can even refer yourself.
